

An Evening with Gina McCarthy at the Connecticut Science Center - March 22, 2018

Register online at: <https://www.epoc.org/event-2759363>

As part of our gala event, attendees will have access to the 5th and 6th floor exhibits from 6 PM to 7:30 PM. Here are some highlights you won't want to miss (click on links for further details):

[Exploring Space](#): United Technologies Corporation Gallery: LEVEL 5

Step beyond the light-lock entrance of this gallery and enter into a dark and dramatic abyss of the spectacular and the unknown. Here, Earth, the Moon, Mars, galaxies, solar systems, remote planets, and the rest of the universe await your exploration. Travel to a black hole, create a crater, pilot a lunar lander, and more.

[River of Life](#): LEVEL 6

Encounter the Connecticut River from unique and perhaps unfamiliar perspectives. Dive deep into the river's past, starting at its geological origins, and then journey through time into the modern era where you can assess how our everyday human activity has had an impact on the life of this river and all the ecosystems it sustains.

[Planet Earth](#): FM Facilities Maintenance Gallery: LEVEL 6

Earth is a living planet with countless stories to tell about its rich history. Explore our home planet from its atmosphere down to its core as you become a geologist, meteorologist, environmentalist, and paleontologist.

[Energy City](#): Energize Connecticut Gallery: LEVEL 6

Wind turbines. Solar panels. Hydropower. Fuel cells. These are just a few of the alternative energy technologies you will discover in this gallery. Find out how electricity travels from energy sources to your home. Tour this virtual city to measure the effect of your energy uses and how they affect the planet.
